AMEND Senate Bill No. 585

House Bill No. 335*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 49-4-930, is amended by deleting subsection (b) in its entirety and substituting instead the following language:

An eligible student must submit an application for the dual enrollment grant each academic year. To be eligible for a dual enrollment grant for a semester beyond the first semester of receipt in an academic year, the student shall continue to meet all eligibility requirements for the grant and shall achieve a cumulative grade point average of 2.75 for all postsecondary courses attempted under a dual enrollment grant.

SECTION 2. Tennessee Code Annotated, Title 49, Chapter 7, Part 50, is amended by adding the following language as a new section:

Full-time employees of the state eligible for a waiver of tuition and fees pursuant to § 8-50-114 who are required to work more hours each week than typically required of full-time employment for at least four (4) weeks per year shall be exempt from the requirement that the waiver be used for only one (1) course at a time. Certification of eligibility for this exemption shall be completed by the applicant's employer at the time of application for the waiver. Nothing in this section shall allow an employee to exceed enrollment in more than four (4) courses per academic year.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring

AMEND Senate Bill No. 1250

House Bill No. 438*

by deleting all language after the caption and substituting instead the following:

WHEREAS, energy is essential to the health, safety, and welfare of the people of this State and to the workings of the State economy; and

WHEREAS, it is in the State's best interest to support the development of a reliable and adequate supply of energy for Tennessee that is secure, stable, and predictable in order to facilitate economic growth, job creation, and expansion of business and industry opportunities; and

WHEREAS, it is also in the State's best interest to support the exploration, development, and production of domestic energy supplies, preferably from the resources within the State or region and most certainly from within the country; and

WHEREAS, state government has a duty to protect and preserve the State's natural resources, cultural heritage, and quality of life and, above all, the public health and safety of its residents during the exploration, development, and production of domestic energy resources; and

WHEREAS, it is critical that this State provide the basis for development of a long-range unified energy policy to encompass comprehensive energy resource planning and efficient management of existing energy resources in relation to economic growth, to effectively meet an energy crisis, to encourage development of alternative sources of energy that are capable of achieving a positive benefit-to-cost ratio, and to ensure efficient utilization of energy resources in a manner consistent with assuring a reliable and adequate supply of energy for Tennessee,

including active support and collaboration with the federal government to ensure access to the nation's energy resources; and

WHEREAS, the development of a unified domestic energy policy for the State of Tennessee as part of a nationwide effort for increased domestic energy production is paramount to our national security and economic growth and stability; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 4-29-240(a), is amended by inserting the following as a new, appropriately designated subdivision:

() State energy policy council, created by § 68-204-101;

SECTION 2. Tennessee Code Annotated, Title 68, is amended by adding the following language as a new chapter:

68-204-101. There is created the state energy policy council, to be administratively attached to the office of the comptroller of the treasury.

68-204-102. For the purposes of this chapter, "council" means the state energy policy council.

68-204-103.

(a) The council is created to advise and make recommendations to the governor and to the general assembly on how to:

- (1) Identify all state energy resources to ensure a secure, stable, and more predictable energy supply;
- (2) Manage the use of energy resources; and
- (3) Increase domestic energy exploration, development, and production within the state and region, with the goal of promoting economic growth and job creation while ensuring the protection and preservation of the state's natural resources, cultural heritage, and quality of life.

(b) The council shall have the following general duties and responsibilities:

(1) Compile an annual report assessing the energy sector in this state, including the opportunities and the constraints presented by various uses of energy, to facilitate the expansion of the domestic energy supply, and to encourage the efficient use of all such energy forms in a manner consistent with state energy policy;

(2) Develop an ongoing comprehensive state energy policy plan to achieve maximum effective management and use of present and future sources of energy. The policy plan may include energy efficiency, renewable and alternative sources of energy, research and development into alternative energy technologies, and improvements to the state's energy infrastructure and energy economy, including smart grid and domestic energy resources, including, but not limited to, natural gas, coal, hydroelectric power, solar, wind, nuclear, and biomass;

(3) Create an annual energy policy plan that recommends:

(A) Necessary energy legislation to the governor and to the general assembly;

(B) The promulgation of necessary rules to regulatory boards charged with administering this title; and

(C) The implementation and modification of energy policy, plans, and programs as the council considers necessary and desirable;

(4) Continually review and coordinate all state government research, education, and management programs relating to energy matters;

(5) Educate and inform the general public regarding any energy matters; and

(6) Actively engage in discussions with federal government agencies and leaders to identify opportunities to increase domestic energy supply within this state.

(c) The council shall serve as the central energy policy planning body of the state and shall communicate and cooperate with federal, state, regional, and local bodies and agencies for the purpose of affecting a coordinated energy policy.

68-204-104.

(a) The council shall be comprised of fourteen (14) members as follows:

(1) The governor or the governor's designee shall serve as an ex officio, voting member of the council;

(2) The governor shall appoint:

(A) One (1) representative of energy resource extraction or energy production industries, excluding the Tennessee Valley authority, who may be appointed from lists of qualified persons submitted by interested energy resource extraction or energy production industries including, but not limited to, the biofuel, oil and gas, wind, coal, solar energy, geothermal energy, hydropower, and nuclear energy industries.

The governor shall consult with the industries listed in this subdivision

(a)(2)(A) to determine qualified persons to fill the position on the council;

(B) One (1) representative of a commercial, industrial, or agricultural energy consumer; and

(C) One (1) representative of an institution of higher education in this state;

(3) The speaker of the house of representatives shall appoint:

(A) One (1) representative of the energy research and development industry, who may be selected from lists of qualified persons submitted by interested research and development industries, including, but not limited to, the Oak Ridge National Laboratory. The speaker shall consult with the industries described in this subdivision (a)(3)(A) to determine qualified persons to fill the position on the council;

- (B) One (1) representative of the Tennessee Valley authority;
- (C) One (1) representative of a local distribution utility; and
- (D) One (1) representative of a transportation-related industry; including, but not limited to, wholesalers, transportation equipment manufacturers, shipping companies, and local transit authorities;

(4) The speaker of the senate shall appoint:

- (A) Two (2) residential energy users;
- (B) One (1) representative of environmental groups; and
- (C) One (1) representative who is knowledgeable of and has expertise in energy efficiency and energy conservation as it relates to the built environment, who may be selected from lists of qualified persons submitted by interested parties from the engineering and architectural professions in this state. The speaker shall consult with the professions described in this subdivision (a)(4)(C) to determine qualified persons to fill the position on the council;

(5) The state treasurer or the treasurer's designee shall serve as an ex officio, nonvoting member of the council; and

(6) One (1) nonvoting student member with expertise in energy issues and energy policy, who, during the person's tenure as a member of the council, is enrolled as a graduate student in an institution of higher education in this state.

The student member shall be appointed by the council from nominations submitted by university faculty members at such institutions.

(b) In addition to any other requirements for membership on the council, all persons appointed or otherwise named to serve as members of the council shall be bona fide residents of this state, and shall continue to reside in this state during their tenure on the council.

(c)

(1) All appointments to the council shall be made by July 1, 2017.

(2) In order to stagger the terms of the newly appointed council members, initial appointments shall be made as follows:

(A) The members listed in subdivision (a)(2) shall serve initial terms of one (1) year, which shall expire on June 30, 2018;

(B) The members listed in subdivision (a)(3) shall serve initial terms of two (2) years, which shall expire on June 30, 2019; and

(C) The members listed in subdivision (a)(4) shall serve initial terms of three (3) years, which shall expire on June 30, 2020.

(3) The student member appointed pursuant to subdivision (a)(6) shall serve a term of two (2) years, but shall not serve more than two (2) consecutive terms as a member of the council.

(d)

(1) Following the expiration of members' initial terms as prescribed in subdivision (c)(2), all three-year terms shall begin on July 1 and terminate on June 30, three (3) years thereafter.

(2) All members shall serve until the expiration of the term to which they were appointed and until their successors are appointed and qualified.

(3) In case of a vacancy in the membership on the council prior to the expiration of a member's term, a successor shall be appointed within thirty (30) days of the vacancy for the remainder of the unexpired term by the appropriate appointing authority and in the same manner as the original appointment.

(e) The appointing authorities may remove any member of the council for misconduct, incompetency, willful neglect of duty, or other just cause.

(f) Prior to beginning their duties, each member of the council shall take and

(g) In making appointments to the council, the appointing authorities shall strive to ensure that the council is composed of persons who are diverse in professional or educational background, ethnicity, race, sex, geographic residency, heritage, perspective, and experience.

68-204-105.

(a) The chair of the council shall be appointed by the governor from among the council's membership and shall call the first meeting of the council. The chair shall serve in that capacity for one (1) year and shall be eligible for reappointment. The chair shall preside at all meetings and shall have all the powers and privileges of the other members.

(b) Each member, upon expiration of the member's term, shall continue to hold office until a successor is appointed.

(c) A majority of those members serving on the council shall constitute a quorum.

(d) Members appointed pursuant to § 68-204-104(a)(2)-(4) shall be eligible for reappointment to the council following the expiration of their terms, but shall serve no more than two (2) consecutive three-year terms.

(e) Members shall receive no compensation for their service on the council, but shall be reimbursed for travel and other necessary expenses incurred in the performance of official duties in accordance with the state comprehensive travel regulations as promulgated by the commissioner of finance and administration and approved by the attorney general and reporter.

(f) The council shall adopt and implement a conflict of interest policy for its members. The policy shall mandate annual written disclosures of financial interests, other possible conflicts of interest, and an acknowledgement by council members that they have read and understand all aspects of the policy. The policy shall also require

persons who are to be appointed to the council to acknowledge, as a condition of appointment, that they are not in conflict with the conditions of the policy.

68-204-106.

(a) To facilitate the work of the council and for administrative purposes, the chair of the council, with the consent and approval of the members, shall organize the work of the council to carry out the requirements of this chapter and to ensure the efficient operation of the council.

(b) The council shall:

(1) Adopt its own rules of procedure;

(2) Meet quarterly, with members to be physically present at a minimum of two (2) quarterly meetings each calendar year. Members may also participate by teleconference call, provided that all other requirements of this subdivision (b)(2) are met. Emergency meetings may be called by the chair or upon petition by a majority of the council, with written notice being given to all members; and

(3) Make nonsubstantive policy relating to the administrative operation of the council.

68-204-107.

(a) The council may request information from any state officer, office, department, commission, board, bureau, institution, or other agency of the state and its political subdivisions that is deemed necessary to carry out the requirements of this chapter. All officers and agencies shall cooperate with the council and, to the extent permitted by law, furnish any information to the council that it may request.

(b) To assure the adequate development of relevant energy information, the council may request energy producers and major energy consumers, as determined by the council, to file any reports and forecasts; however, the council may request only specific energy-related information that it deems necessary to carry out its duties.

(c) The council is authorized to apply for and utilize grants, contributions, appropriations, and any other sources of revenue which shall be deposited in the energy policy development resources fund created under § 68-204-109, in order to carry out its duties; however, all applications and requests for grants and other revenues shall be made through and administered by the office of the comptroller of the treasury.

(d) The council may request the office of the comptroller of the treasury to allocate and dispense any funds made available to the council for energy research and related work efforts in such a manner as the council determines; provided, that the funds shall be used in furtherance of the purposes of this chapter.

(e) The council shall be attached to the office of the comptroller of the treasury for administrative matters relating to budgeting, audit, and other related items only. The autonomy and authority of the council are not affected by such attachment, and the office of the comptroller of the treasury shall have no administrative or supervisory control over the council.

(f) All administrative costs of the council, including, but not limited to, the cost of the annual reports required pursuant to § 68-204-108, shall be payable out of any funds allocated to and received by the council.

68-204-108.

(a) The council shall compile, compose, and publish, and transmit to the governor, the speaker of the senate, and the speaker of the house of representatives, two (2) annual comprehensive reports as follows:

(1) An annual assessment of the state's energy sector as prescribed in § 68-204-103(b)(1), to be facilitated by the Howard H. Baker Jr. Center for Public Policy at the University of Tennessee; and

(2) A report to create a comprehensive state energy policy plan as prescribed in § 68-204-103(b)(2).

(b) The annual assessment of the state's energy sector, as prescribed in subdivision (a)(1), shall include, but not be limited to, the following:

(1) The statewide projected growth and development as it relates to future requirements for energy, including patterns of urban and metropolitan expansion, shifts in transportation modes, modifications in building types and design, and other trends and factors which, as determined by the council, will significantly affect energy needs; and

(2) An assessment of growth trends in energy consumption and production, and an identification of potential adverse social, economic, or environmental impacts which may be imposed by a continuation of the present trends, including a rise in energy costs to consumers, significant increases in air, water, and other forms of pollution, threats to public health and safety, and a loss of scenic and natural areas.

(c) The comprehensive state energy policy plan, as prescribed in subdivision (a)(2) shall include, but not be limited to, the following:

(1) Recommendations to the governor and the general assembly for additional administrative and legislative actions on energy matters in the context of the current energy sector in this state; and

(2) A summary of the council's activities since the last filing of the energy policy plan, a description of major plans developed by the council, an assessment of plan implementation, and a review of council plans and programs for the coming biennium.

68-204-109.

(a) There is created a special account in the state treasury to be administered by the office of the comptroller of the treasury and to be known as the energy policy development resources fund, referred to in this section as the "energy resources fund."

(b) The comptroller may disburse moneys in the energy resources fund to the council for the following purposes:

(1) Developing the comprehensive state energy policy plan, as prescribed in § 68-204-103;

(2) In furtherance of the purposes of this chapter; and

(3) To offset the cost of administering this chapter.

(c) A grant from the energy resources fund shall be disbursed in an annual amount of fifty thousand dollars (\$50,000). It is the legislative intent that the annual amount be appropriated each fiscal year in the general appropriations act for awarding a grant.

68-204-110.

(a) Nothing in this chapter amends or repeals in any manner the Energy Efficient Schools Initiative (EESI) of 2008, compiled in title 49, chapter 17, or other provisions of law relating to the energy efficient schools council and its powers, duties, and functions.

(b) Nothing in this chapter applies to the powers, duties, and functions undertaken pursuant to the authority of the Energy Efficient Schools Initiative (EESI) of 2008, compiled in title 49, chapter 17.

SECTION 3. For the purpose of appointing members of the council, this act shall take effect upon becoming a law, the public welfare requiring it. For all other purposes, this act shall take effect July 1, 2017, the public welfare requiring it.

AMEND Senate Bill No. 1041*

House Bill No. 1207

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 68-1-128, is amended by adding the following new subsection (c) and redesignating existing subsections accordingly:

(c)

(1) In addition to identifying prescribers pursuant to subsections (a) and (b), beginning July 1, 2017, and annually thereafter, the department shall identify high-risk prescribers based on clinical outcomes, including patient overdoses.

The determination of which providers are high-risk prescribers, including the criteria to make such determination, shall be made by the department. Providers determined to be high-risk prescribers pursuant to this subdivision (c)(1) shall be subject to selected chart review and investigation by the department.

(2) If a prescriber is identified as a high-risk prescriber pursuant to subdivision (c)(1), the department shall submit the high-risk prescriber's information to the board that issued the prescriber's license for appropriate action.

(3) Upon receiving information pursuant to subdivision (c)(2), the licensing board shall notify the prescriber and, if applicable, the prescriber's supervising physician, of the prescriber's identification as a high-risk prescriber and, as applicable, require the prescriber to:

(A) Participate in continuing education that is designed to inform providers about the risks, complications, and consequences of opioid

 CHIEF CLERK

addiction. The specific continuing education courses and number of hours to be completed by the prescriber shall be determined by the licensing board;

(B) Make available, in the prescriber's waiting room and clinic areas where the prescriber's patient can view, educational literature that warns persons of risks, complications, and consequences of opioid addiction. The specific literature to be made available pursuant to this subdivision (c)(2)(B) shall be determined by the department and made available on the department's website;

(C) Obtain written consent on a form that explains the risks of, complications of, medical and physical alternatives to, and consequences of opioid therapy and addiction to any patient who will receive opioid therapy for more than three (3) weeks with daily dosages of sixty (60) morphine milligram equivalents (MME) or higher. The consent shall include a certification from the patient that the patient understands the information. In order to continue to treat the patient, the provider must assure that the consent is signed by the patient and made part of the patient's health record; and

(D) Renew the consent described in subdivision (c)(3)(C) at four-week intervals for patients who continue to receive opioid therapy. In order to continue to treat the patient, the provider must assure that the consent is signed by the patient and made part of the patient's health record.

(4) An identified high-risk prescriber must comply with the requirements set out in subdivision (c)(3) for a period of one (1) year from the time the provider was notified of the provider's identification as a high-risk prescriber of opioids. Failure of a prescriber to comply with the requirements set out in subdivision

(c)(3) shall be treated as an act constituting unprofessional conduct for which disciplinary action may be instituted under the authority of the board that issued the prescriber's license.

(5) All costs associated with this subsection (c) shall be paid by the identified provider.

(6) If the provider disputes the identification of the provider as a high-risk prescriber of opioids, the provider may request the department conduct an internal review of the identification, which shall be done by the commissioner or the commissioner's designee. Any such internal review is not subject to the provisions of title 4, chapter 5, part 3.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.

Date 5/8/17

Time 8:39 AM

Clerk RBB

Comm. Amdt. _____

AMEND Senate Bill No. 1041*

House Bill No. 1207

by deleting the language "opioid abuse" wherever it appears in the amendatory language of Section 2 of the bill as amended and substituting instead the language "opioid use".

AND FURTHER AMEND by deleting subdivision (5) in the amendatory language of Section 2 of the bill as amended and substituting instead the following:

(5) From data available to the bureau of TennCare and the department of health, the number of cases in which the source of opiates in the mother of an infant born with neonatal abstinence syndrome can be reasonably associated with a substance prescribed to the mother.

SENATE ADOPTED

MAY 9 2017
